

Survey on the city mission statement (Stadtleitbild BB 2035 – My city. Our future.)

Dear citizens,

In February 2021, the local council decided to update our city concept together with the citizens of Böblingen and Dagersheim. As a prelude, we are carrying out this representative survey. And they were selected at random from the population registration data for participation.

Together with you and the local council, we want to set the city's goals by 2035. Our city concept is an important guide for our urban actions. We want to make important future decisions on the basis of the city's model.

Please take the approx. 15 to 25 minutes to fill out the survey. Once you have completed the questionnaire in writing, we ask you to return the completed questionnaire within 2 weeks if possible to the mailbox at the Old Town Hall (Marktplatz 16) or at the mailbox at the Dagersheim district office. Only questionnaires received **up to and including 08/23/2021** will be considered for the evaluation.

For data protection reasons, please do not use a sender / shipper.

If German is not your mother tongue or if you need practical support in answering the questionnaire, we offer you survey service points in various district meeting places. Dates and information can be found at www.boeblingen.de/umfragestadtleitbild and of course in the official gazette.

Your participation is of course voluntary. All information is processed exclusively according to scientific standards by wer denkt was GmbH without any name reference. The questionnaires are evaluated in compliance with statistical confidentiality and the European General Data Protection Regulation. It is not possible to draw any conclusions about you personally.

Before you start filling out the questionnaire, we would like to give you a few tips on how to fill out and return the questionnaire:

- You should fill out the questionnaire personally and truthfully. If you are unsure about a question, please choose the answer that best suits you.
- If you have any questions, please write to us at: boeblingen@habenktwas.de
- Your answers and addresses are always kept separate and cannot be linked by either the city or the supporting company. All addresses are deleted before the content is evaluated, which means that conclusions about your person are not possible at any point in time.
- Please remember to accept the data protection declaration on the following page.
- Please also remember to give us your access key on the following page - you will find it in the cover letter.

Data Protection Declaration

At the end of the survey, we will ask you a few questions about yourself (so-called "socio-demographic information"). The information is used to include social factors, such as age and occupation, in the results analysis. We collect as little information as possible.

Participation in this survey is voluntary and anonymous. You do not need to provide your name.

This survey is supported and carried out by wer denkt was GmbH from Darmstadt. The answers to these surveys are aggregated and evaluated by wer denkt was GmbH. The city of Böblingen receives these aggregated data in the form of a data set and processed in the form of a final report. The legal basis for processing this data is then Article 6 Paragraph 1 lit. e & lit. f GDPR. The city of Böblingen therefore only receives pseudonymised data, it is not possible to draw any conclusions about your person.

Even with a survey, you have the right to information and deletion of your personal data in accordance with data protection. You can revoke this declaration of consent at any time. Simply write us an e-mail (datenschutz@habenktwas.de). We will then contact you. After your revocation, your data will be deleted. Your data will not be passed on to third parties at any time.

I accept the data protection declaration

Note: If you do not agree to the data protection declaration, we will unfortunately not be able to process your details and will be forced to delete them immediately.
